<sup>1</sup> The Court issues this amended verdict as authorized by Federal Rule of Criminal Procedure 36. The Court has been notified by the government that the language of the original verdict, specifically the phrase “Aiding and Abetting,” does not accurately reflect the language of the indictment and the statute at issue in this case. See 26 U.S.C. 7206(2). Accordingly, the Court issues this amended verdict, substituting “Assisting” for “Abetting” as to each count charged, to accurately reflect the statutory language. Under Rule 36, the Court may give to the parties any notice it deems appropriate to correct a clerical error in a judgment. Believing that this change is so innocuous that no notice is appropriate, the Court instead reissues its judgment as amended here. The parties must file any objection they may have to this amendment no later than June 6, 2024.
